

Lynn English High School

Machine Permit

Dear Parent/Guardian:

This year your son/daughter, _____, will be participating in the Science Team program which your child selected to join. The Science Team participants on occasion may be required to use hand power-driven machinery. All machines are well guarded for the operator and every possible precaution will be taken by the instructor to insure the correct and proper use of these machines by the students who use them.

I, _____, (print student's full name above)

agree to follow the safety rules listed below:

1. Safety glasses **must** be worn.
2. Loose fitting clothing may **not** be worn.
3. Hair must be of reasonable length complying with safety regulations or approved hair restraint apparel **must** be worn.

I hereby give my son/daughter permission to use all hand power-driven machinery connected with the Science Team at Lynn English High School and hereby release the City of Lynn, Lynn School Department, and all the teachers and employees of the Lynn School Department from any claim whatsoever for damages in case of an accident to my son/daughter while working with this machinery.

I have read the above and agree to the conditions therein.
