## Previous Science & Math Classes

Please list your most recent math & science classes and your final grades in both (as best you remember). This will give me an idea of where your strengths are and where you might need help.

*Please answer the questions on the other side of this form.*

## **Time Commitments**

Please list anything besides academics that will be making demands on your time (sports, jobs, activities, family obligations, *etc.*)

## **Accomplishments**

Please tell me anything you're particularly proud of and would like me to know.

## **Concerns**

Please tell me what you're most worried/concerned about when you take physics.

## **Accommodations**

Are there any accommodations (such as extra time, help with organizing, *etc.*) that you feel you need in order to be successful? Please list *everything* that you think you need, *regardless* of whether or not you have an IEP or section 504 plan.

## **Anything else a teacher should know?**

Please describe anything else you think I should know in order to help you to be successful.
